Re: PBA Registration

Dear Friends:

As a result of the PBA's policy of limiting the number of players to 5 that can use Lind shoes on the National Tour and the price increase in registration fees the Lind Shoe Company has decided not to participate in the PBA product registration program for the 2008-2009 season. This decision was difficult for my family as we have supported the PBA tour for many years.

The Lind Shoe Company strives to serve the bowling public by manufacturing high quality, high performing bowling products at an affordable price. In order to maintain these standards and continue serving bowlers and pro shops we felt the only option was to temporarily step away from the PBA. We understand that this decision is not going to be popular with bowlers that participate in the Regional, Senior or National PBA Tour, and we sincerely apologize for any inconveniences that this decision may cause.

I would like to make it clear that our equipment is approved for all USBC sanctioned events, including all leagues and tournaments that are not governed by the PBA.

We truly appreciate all of our loyal customers, and want to thank you for your continued support. If there is anything that we can do to assist you in the future, please do not hesitate to contact us.

Sincerely,

Jeffery R. Lind
